Item 5. All fields> Done already

CERTIFICATE

They will need to place a check mark in ONE of the items 1-4 (most, if not all will be number1).

Item 5. This requires initials of the same person who is signing (below) for the LPA (cannot be a consultant, has to be an LPA Official). I prefer a department head or higher in the LPA (in the ARRA projects the Public Works Director or Transportation Director was the signatory.

Please note that all ROW certifications must be the original. They can e-mail me but, they will have to send original to me before I can clear ROW. I also prefer to have the signature signed in BLUE.

As always, if any of you or the LPAs has any questions and/or need any help, please do not hesitate to contact me.
